

Caprese Salad

Here is a great way to create an appetizer using our **One Hour Mozzarella Kit**. After kneading your mozzarella, pinch off walnut sized pieces. Take a grape tomato and surround it with the piece of mozzarella pinching the cheese to seal it. Let the cheese firm up. Slice the tomato stuffed cheeses in half and place on a green salad. Drizzle with extra virgin olive oil, freshly cracked pepper and a generous garnish of fresh basil. You can also serve the cheese capreses whole as a surprise appetizer.
